Success is not in a name alone, it comes with the right combination of Knowledge, Talent, Ability & Guidance. At Vidya Soudha we provide this right combination!

Message from the Chairman

**Dr. Manje Gowda,
Chairman**

Basic education links the children, whether of cities or the villages, to all that is best and lasting in India
- Mahatma Gandhi

We are delighted that you are considering Vidya Soudha Group Of Institutions for your child's education. The term 'education' encloses more than just knowledge. It is a harmonious blend of academics, co-curricular activities, sports, art, creativity, nature, social values and life itself. And in the world we live in today, a person who is well versed in all these areas is the one who succeeds. Education beyond academics creates empowered professionals.

Our educational programmes are complemented by State-of-the-art facilities and excellent resources, which enable us to offer numerous opportunities for children to engage and excel in sports and co-curricular activities.

Motivating children to explore new frontiers of learning and preparing them to

be lifelong learners is integral to our educational approach.

Our dedicated teaching fraternity is our strength. They constantly strive to make learning more enjoyable and rewarding whilst instilling moral and cultural values in children.

It is my sincere feeling that the success of any educational institution predominantly depends on the parents of its students. We are fortunate to have the parents community who are very co-operative and have always guided us on several aspects and stood with us to ensure high quality learning for our students.

Best

Dr. Manje Gowda
Chairman

“We cannot build future for our kids, but we can build our kids for the future and that is what Vidya Soudha Kids do.”

Vidya Soudha Kids (VSK) are learning centers for our youngest minds in the age groups between 3-6 years. The classes offered are Pre-Preparatory, Preparatory 1 and Preparatory 2. Vidya Soudha Kids provides a strong foundation and a stepping-stone for the students entry into primary school.

Vidya Soudha Kids Curriculum caters to children in the Pre preparatory, Preparatory 1 and Preparatory 2 levels. Research shows that 90% of a child's brain development takes place within 5 years of age and at a lightning speed. An age-appropriate curriculum is very important to meet the kids' cognitive development with holistic approach.

Vidya Soudha Kids follow unique VSK curriculum in preparatory section, specially designed by the team of expert academicians of preparatory education. The curriculum is copyright protected and revised each year incorporating latest developments/trends in early child education.

The Key learning areas are:

- Discipline, cleanliness, basic efficacies
- Communication, Language and Literacy skills
- Pre-math and basic math skills
- Theme based rhymes and stories
- Enhancing reading & writing skills through phonic based "MI Kids" an international programme for kids learning
- General Awareness
- Aesthetic development Technology
- Emotional, Personal and Social Development
- Physical Skills and Well-being

Pre preparatory emphasises on improving the kids physical, personal, emotional, social developments. The alphabet, numbers, pre-math skills and the general awareness topics are all introduced through colourful illustrations.

At the end of Preparatory 2, children are all equipped with the necessary life skills and prepared to step into the threshold of primary school with confidence and vigour.

"Give a man a fish and you feed him for a day;
teach a man to fish and you feed him for a lifetime"
- Mother Teresa

Preparatory

In preparatory, teachers help the little ones feel secure and comfortable in the new environment. It is essential for the kids to cultivate a warm and positive feeling towards school & learning. Socio-emotional skills is emphasized through group play, collaborative activities and solitary time. The VSK curriculum provides a strong foundation and stepping stone to transition into primary school.

Primary - Grade I to V

Grade 1 to 5 are the foundation years of education, where various skills, preferences and abilities are developed. We recognize that children at this level have their own unique abilities, interests, aspirations and expectations. We foster the child's growth with a strong FOUNDATION PROGRAM for high school.

High School - Grade VI to X

At the High School level, students are regularly encouraged to conduct research at elementary and complex levels right from Grade 6 onwards. For this purpose, the school infrastructure and curriculum enables the active use of school laboratories, the library and technology and PREPARE them for collegiate education. IIT/JEE foundation programs are offered from Grade 8.

“

“I hear and I forget.
I see and I remember.
I do and I understand.”

We give paramount importance to make sure
that our students have hands on experience.

Well Equipped Classrooms

Well equipped classrooms provide much needed ventilation, seating and teaching aids including projector and such other equipments.

Well stocked Library

The school has a well-stocked library for both juniors and seniors, with an impressive index of titles, covering both fiction and nonfiction, resource /reference books, dailies and magazines. Our rich collection of books is updated regularly.

Science Laboratories

The Laboratories are designed keeping in mind the materials being used, safety regulations and ventilation systems. They are spacious and have provision for conducting lectures as well.

Computer Laboratories

The Computer Lab has an advanced infrastructure in terms of hardware and software which cater to the requirements of the students, teachers and the curriculum.

Transportation

GPS & CCTV enabled school buses. Parents can access real time GPS location of the busses through mobile apps making it convenient for student pickup.

"Sports fosters self-discipline, teamwork and leadership."

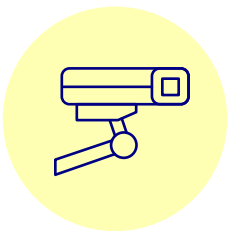

Sports curriculum is carefully designed in partnership with reputed organizations such as Leapstart (India's premier physical education program) & SPARK. We provide facilities for specialized coaching through skilled and qualified coaches in various games like Football, Basketball, Volleyball, Cricket, Chess, Table Tennis.

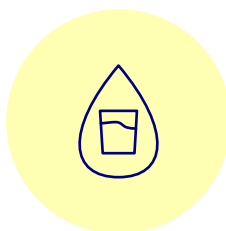

Security & safety of each child is our prime concern. CCTV cameras are installed at vantage locations and in all the classrooms. We take every precaution when it comes to the safety of the children in our care. The entire campus is installed and monitored to ensure the complete safety of children.

Safe drinking water, fire safety, health & hygiene and clean toilets are some of outstanding measures taken.

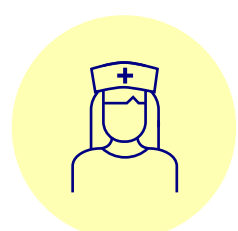

Schools have their own Infirmary room. In addition, the schools have a tie-up with nearby hospital. A qualified counsellor addresses the physical, mental, emotional, and social health needs of students and supports their achievement in the learning process.

Abacus

At VSPS we have ALOHA Abacus program for students from G1-G5. This boosts confidence in students and helps them in overcoming the phobia of Mathematics. Our students have participated in International level competition held in Russia and China and brought laurels to the institution.

Community Outreach programs

Community Outreach and Service activities are an integral part of most of our learning experiences and engagements. These Outreach activities and projects develop leadership, resilience, empathy and service-mindedness in our students. At an early age, our students learn the importance of developing the spirit of giving back to society and reaching out to those less privileged and that are marginalized.

Student Council Body

The Student Council members are “successful learners, confident individuals and responsible citizens with a sense of pride in everything they do”. They work hand in hand with the teachers in ensuring discipline in the school and are very reliable and helpful in always putting in a lot of effort in the smooth functioning of the school.

VSPS Clubs

We understand that the energy of our young students needs to be channelized and that personality enhancement and confidence building are important facets of schooling. Our extensive co-curricular program is built to take into account talent and interest in different disciplines: sports, music, dance, aesthetics etc. A variety of clubs are functional in VSPS.

Picassos Art Club

The club helps students to grab an opportunity to engage in Art-making and Art-appreciation activities.

Eureka! Science Club

The Club will explore a range of fun activities in Chemistry, Biology and Physics.

Sports & Karate

An effective physical training session serves as a constructive tool to build physical stamina & energy.

Algebra Math Club

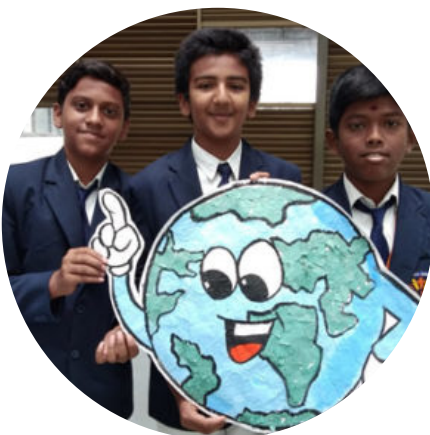

To impart a challenging and enriching experience in mathematics beyond school curriculum.

Opera Music Club

The club spreads the passion for music by exposing children to the finer nuances musical sounds and rhythms.

Kasturi Kannada Club

The Club engages in activities that promote state language and Kannada literature.

S-O-C-H

(Sensitizing Overwhelming Children with Humanitarian values)

VSPS promotes the appreciation of the diversity of people, cultures and provides an optimal environment for learning that inspire in its students to:

- Discovering joy of learning
- Practicing tolerance and living together in peace
- Providing leadership that demonstrates awareness of ethical and moral issues

Our kids truly have grown in to independent and free thinking children. They have grown stronger and confident because of the hands on activities of the class, celebrations like Indian Festivals, Grand Parent's Day and Father's Day, Outdoor education like visiting Fire Station and Bank and also various competitions conducted in the school.

We feel proud and fortunate for having our kids studying in this fantastic school atmosphere instilling good values and creating beautiful budding stars.

-Parents of Anarghya Hegde & Amogh Hegde

Learning with fun, teaching with dedication & caring with love are the key appreciable success factor pf VSPS."It takes a big heart to shape a little mind" thanks to the lovely teacher & coordinators for shaping every kid as unique individual by understanding them deeply. At VSPS, every day is a new learning filled with more fun & specifically designed activities for kids.

-Shanmugapriya Prasanna & P. Kaahinisree

Vidya Soudha is the unique school which provides the best foundation for my son and for the children in every aspect and promotes the interest of children.

-Shalini.K

An ocean of fun & learning which makes school an enthralling experience!!! At VSPS children are nurtured & cared bringing the best out in them.

The nursery teachers help & motivate the children in a number of exciting activities which includes fun with alphabet, number made easy, colouring, water activities etc. which keeps the kid entertained as well as helping them in absorbing the learning as per curriculum.

-Jincy Jose | M/O Rian Vijay (Pre-prep)

Vidya Soudha has planned the academics very well, be It books or extracurricular activities. They are the only school to celebrate grandparents' day & it has instilled great respect for family in students. Exceed all expectations.

Sports

VSPU concentrates on the holistic development of students; the college has given importance to physical fitness of students, they are provided with all facilities to participate in sports activities.

I can truly state that the academic atmosphere is really really good at Vidya Soudha PU College. Not just about scoring marks but also in grooming students to understand any concepts. Frankly speaking, it was here where I have learnt how to first understand and then present anything accordingly. The management plays a vital role in sorting out any issues faced by a student, be it in academics or other stuffs too. So in my point of view, VSPU would be the best choice, if made.

-VARSHA K 2C3 SEBA 2020

My experience in Vidya Soudha PU College was very good, the college faculties are well experienced and they are 1st in clearing each and every doubts, they make sure that even the failures can score upto 50% , they teach you in such a way. Don't worry if you are a dull student they will teach you many techniques to crack the board exam. Coming to the college infrastructure, it is well equipped and kept very clean and tidy, they also conduct cultural programs and trade fests.

- SUPRITHA N V 2C2 CEBA 2020

This college is good for the students who do not want to waste their time and have good future in studies with good coaching and strict rules and regulations.

- SAGAR GOWDA 2S2 PCMB 2020

It's a great place for students who are willing to put effort and study. Good infrastructure and friendly environment. The lecturers are friendly, and strict when it comes to studies. They pay attention to every student and make sure we understand concepts as well as clear our doubts. The college has a good library. The management, teaching and non teaching staff are all supportive.

- POOJA KADRI 2S1 PCME 2020

A good college that bought out my interest in studies, Good faculty, clean environment, friendly fellows this made our year's wonderful .one who is much concentrated to studies can opt this college as first. Much books, trips are something that made our days. I am thankful to all teachers and principal and non- teachingstaffs.

-YASHASWINI C 2S2 PCMB 2020

I am pleasure to have this kind of college. VSPU is best college to score more marks and to learn good things. Lectures are very strict when come to studies and clarify doubts in easy way by understanding concept .

Vidya Soudha Academy of Management Sciences

About Us

Vidya Soudha Academy of Management Sciences currently provides a range of undergraduate programs namely, B.Com, BBA and BCA and is in the process of getting affiliation to University of Mysore, Karnataka. The proposed courses provide a strong foundation for students to help them gain knowledge in their chosen field whilst throwing emphasis on relevance, application, and practical knowledge. With experienced faculty and state-of-the-art facilities, students are exposed to ideas and activities that will encourage them to take up specialized areas of further studies apart from taking up appropriate jobs.

VSAMS in Hassan proposes to impart excellent management and computer science education. The academy will focus on character building with professionally rich exercises by inculcating ethical, moral, and spiritual values in the students. The academy provides a very congenial and exciting atmosphere for the all-round development of the students. It will focus on organizing various training programs along with intense class room teaching during the course.

Bachelor Of Commerce (B.Com)

We believe in developing global competencies in students through quality education and research programs. The department of commerce incorporates peer mentoring, holistic development, social outreach programs, research paper publication etc. Besides lectures, the department conducts group discussions and seminars related to various aspects of commerce. Role plays and simulation labs are used to mimic real-life scenarios requiring prompt decision-making and quick analysis of situations. This helps the students gain valuable experience through field study as well as simulation exercises.

Faculty is highly qualified and experienced in core domains such as Finance, Accountancy, Marketing and HR. We ensure all round development of the students is achieved through various association and club activities, intra-collegiate fests, cultural fests and sports activities.

Bachelor of Business Administration (BBA)

In order to be on par with the constantly changing business environment, it is conducive to give utmost importance to business administration. The BBA degree is designed to impart knowledge and skills, both functional and integrative, in the field of business. We emphasize on honing decision-making skills and administrative competency. The course has been carefully designed to develop a student's views and outlook on leadership, entrepreneurship and ethics. Along with theoretical knowledge, this program inculcates various skills like business analysis, leadership and time management.

Students enrolled in the BBA degree program can expect to derive fundamental understanding in the core concepts of Business Management.

Bachelor of Computer Applications (BCA)

The BCA degree prepares the students for manpower requirement of the fast developing IT/Software industry. Students are trained to have a concrete foundation in the fundamentals of computer technology, a high level of practical skill in the use of that technology and at the same time to be sensitive to the issues prevailing in the society. The curriculum has been carefully structured by expert academicians and IT leaders.

Library

“ TODAY A READER, TOMORROW A LEADER”

The more you read, the better your academic performance and social skill is. We have a well-stocked library that provides reliable content for the students. It helps in enhancing learning capabilities and knowledge. Books can also be borrowed by the students for referring at home. Students can complete their paperwork and carry out their studies using the material present in a library.

Transportation

VSAMS has a fleet of GPS & CCTV enabled school buses which provides transportation to students. Parents can access real time GPS location of the buses through mobile apps making it convenient for student pickup. The drivers are experienced and courteous to ensure the safety of each child. The drivers undergo rigorous background checks before being hired. A trained lady attendant is present in the bus throughout the journey to take care of the children.

Laboratories

The unique feature of VSAMS is it is fully equipped, spacious and well ventilated labs with senior faculty to help the students in understanding the concepts better. All the labs are designed by experts as per the standard requirements.
